Based on the information provided by CHAP, the two houses at 824 and 826 North Eutaw Street are eligible for the National Register of Historic Places under Criterion C as contributing resources in the Mount Calvary Historic District. This largely residential area bounded by West Biddle Street, North Eutaw Street and Tiffany Alley was previously identified as an eligible historic district by CHAP. The two brick rowhouses were constructed as part of a larger row of nearly identical three story buildings, probably dating to the third quarter of the 19th century. The restrained detailing of the houses reflects both the Greek Revival and Italianate styles, suggesting that they were built in early years of that period. Although the interiors of the houses have been subject to much alteration and deterioration, the exteriors are basically intact. The properties at 824 and 826 North Eutaw Street contribute to the district in terms of location, design, setting, and materials.
